	please don't buy regular quad paper		1 optional	Your child may want a stylus to use with their ipad, these	
	which is too small to use for geometry			come on sale and can be sent in to school at	
				any time, if desired.	
			1 optional	exercise ball, large diameter, to sit on on class.	

SPECIAL MESSAGE:

Exercise balls are welcome, but may be sent home if the students use them inappropriately in class. Headphones should come to school in the first few weeks of class, labeled and in a clear *ziploc bag, and it is most efficient if they stay at school. Please label all materials with your child's name. Please do not send pens, white-out or mechanical pencils. Most materials will not come home, so please have materials for your child's homework at home for their use. Looking forward to a wonderful year together!
